

A Mind Map of my Writing

Written

Research

this is a big part of my major and the learning I do for my minor. I have been for building these skills for the past three years

about writing

Theory of Writing

Writing is very hard

Inspiration

A lot of different things if I don't know inspire my writing about writing about a problem in using writing social problem in some way

Persuasion Article

about guns + how to persuade

to answer the question "why is writing so hard" using my theory of writing

to persuade readers to want stricter gun laws

Purpose

to reflect on learning and writing

Understanding the purpose is so important for writing. It is the first step in the writing process for me.

Vignette

my learning experience

my personal struggles with writing + the writing process

learn, share, and ALWAYS reflect

guns are a problem

Inspiration

Reflection

Reflecting is necessary even when the good writing has already been written. Everything has a purpose, and sometimes you need reflection to build on that.
